

Victory Depends on Viewpoint

An Editorial

Right after lunch on the day before the Indiana State game, the whole football team was seen gathered quietly in chapel for a group Rosary. Obviously they wanted a vic-

tory the next day very, very badly. In fact they wanted it so badly that they were willing to pray for it.

Now we don't know whose idea that group Rosary was—whether it was the coaches' or the players', individually or

collectively. But whosever idea it was, our hats are off to him. And our hats are off to our team, who had the courage to go to God for a victory.

It reminds us of the stories we used to hear about Rockne's Fighting Irish going to Com-

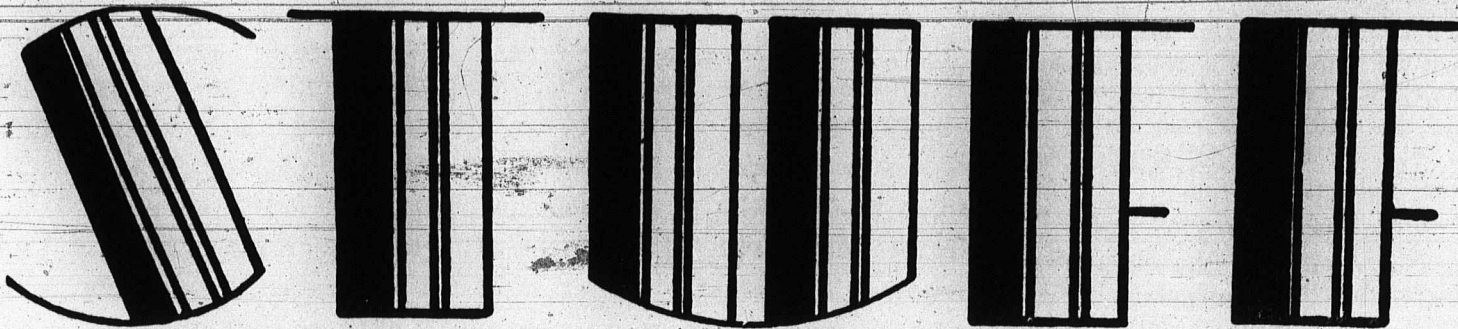

munion en masse before a game. We understand that our team does that too, regularly.

The point we want to make is this: We have heard rumors to the effect that our football team is a failure this year.

But from what we saw in chapel ten days ago we beg to demur. True, they haven't been chalking up victories in Indiana or Iowa or Illinois, but we have a feeling they could well have been chalking up victories Somewhere Else. Perhaps we as a student

body could learn a lesson from the team. If we want to get behind them and DO SOMETHING about the situation, maybe the chapel would be a good place to start—with Rosaries and Communions.

At any rate, we fail to see how a team that has learned, or is in the process of learning, to seek the Greatest Quarterback of them all for a solution of life's problems can be called a failure by anything but temporary and superficial standards.

Narrating the 62nd Year of St. Joseph's College

Volume 16

Collegeville, Indiana, Wednesday, October 22, 1952

Number 3

TIME OUT

The Homecoming crowd takes time out from its terpsichorean chores to admire the fieldhouse decorations in the Monogram Club's annual presentation. A full pictorial history of the weekend begins on page three.

Eleven Candidates Seek Office In Forthcoming Frosh Elections

Eleven candidates for office have been registered with the freshman class co-moderators, Father Baird and Mr. James Beane, for the freshman class elections to be held over a period of three days, beginning Nov. 18.

Two candidates, Ron Aygarn and Mike Churosh, are seeking election to any one of four freshman offices. Confining themselves to presidential candidacy only are: Tony Lombardo, Joe Maher, Dick Obergfell, and John White. Competing for the office of vice-president are: Tim Stivers, Keith Snyder, and Ed O'Rourke. Ed, if unelected in the vice-presidential voting, will be on the ballots for the offices of secretary and treasurer. Also seeking the offices of secretary and treasurer will be Chuck Wiles and Jim McPolin, respectively.

Public campaigning is to begin on Nov. 10 with the formal introduction and nomination of the above candidates by their managers at a meeting of the freshman class.

Trustee Named To State Board

Mr. Robert A. Gallagher, chairman of St. Joseph's Board of Lay Trustees, was named vice-chairman of the Associated Colleges of Indiana, a non-profit group of the smaller state colleges organized to interest industry in Indiana higher education, at the association's organization meeting Oct. 7.

Mr. Gallagher, who is also the president of the Public Service Co. of Indiana, was named to the second position behind Mr. Charles J. Lynn, vice-president of the Eli Lilly Co., who was chosen chairman of the group.

Also named to the Board of Governors were Mr. Richard A. O'Connor, chairman of the Board of Directors of Magnavox Co., and also a member of St. Joseph's Lay Board; and the Most Rev. John G. Bennett, bishop of Lafayette and an alumnus of St. Joe.

Staffs Appointed For Campus Books

By JOE KNEIP

Father James Hinton, moderator of PHASE, the college yearbook, has announced that senior George Riggs will be the editor of the 1953 annual.

Other members of the staff include Buel Adams, assistant editor; Warren Malvick, photography editor; Jim Greene and Ron Favorite, art editors; Tom Schnieders and Don Klingenberg, business managers; and Joe Kneip, reporter. Other openings on the staff are still available and interested persons should contact Father Hinton.

Another St. Joe publication, the literary magazine, MEASURE, has announced that Frank Molson will edit the journal, with Bob Lahey, Ed Byrne, Maurie Garvey, Bill Barrett, Bill Feely, Ray Sarlito, and John Hentschel on the staff.

The magazine, under the direction of Father Alvin Druhman, is beginning its 17th year.

Swing Band Supplies Music for Mixers

Social events for the next few weeks are still in the formative stage, according to Hugh McAvoy, Student Union president.

The Dance Committee is still trying to arrange a mixer for this Saturday, and one for next Saturday's game with Ball State. Mundein College has been mentioned as a possibility for this latter.

Music for these mixers will be furnished by the school swing band, which made its debut at the Marian mixer in Indianapolis last Saturday. The 11-piece band was just recently formed.

Players Prepare Production of Three One-Acts

The Columbian Players will vary their style somewhat this semester and present, instead of the usual three-act comedy, three one-act plays on a variety of subjects.

Their director, Mr. John Kirby, has announced that tryouts for the plays will be held around Nov. 1, with all CP's eligible for parts. The productions themselves are scheduled for Dec. 12 and 13.

Chosen thus far for presentation are "The Glittering Gate," by Lord Dunsany, a comic fantasy, with two characters, and "Submerged," by H. Stuart Cottman and Le Vergne Shaw, a tragedy which has won many dramatic contests. Both plays have an all-male cast.

The third play will be a farce, with the anonymous French "Master Pierre Patelin" being the most likely choice, according to Mr. Kirby.

Also being plotted for this year are a Lenten play, possibly "The Other Apostle" and an arena-style production, probably "Minor Miracle." A three-act comedy is being planned for the second semester.

Parliamentary Course Offered

A survey course of parliamentary procedure has been instituted on the campus and the first meeting held Monday.

The survey, though designed principally for club presidents and members of the Student Council, is open to anyone who wishes to attend and learn the proper procedure for formal meetings. The sessions will be held every Monday during the next three weeks and will last about 45 minutes each.

Father Cletus Dirksen is in charge of these sessions.

First Science Workshop Takes Place on Campus

The first science workshop of the NFCCS ever held anywhere in the United States, took place last Saturday and Sunday on the St. Joe campus. Twenty-five members of the Fort Wayne region took part.

Pastrick Elected By Student Union

John "Pinky" Pastrick, senior from East Chicago, Ind., was elected vice-president of the Student Council Oct. 8, by a vote of 111 to 77 over his sole rival, Bill Dietz.

Pastrick succeeds to the position held previously by Pat Evard, who was drafted into the service after winning last April's election for the number two post.

Pastrick's election leaves only one seat vacant on the '52-'53 Council, to be filled by the freshman class president.

St. Joe Again Center For Qualification Test

St. Joseph's will again be a center this school year for the administration of the Selective Service College Qualification Tests, slated for Dec. 4, 1952, and Apr. 23, 1953.

Applications for the December test must be postmarked before midnight Nov. 1, with the April application deadline being Mar. 9.

Blank application forms for the tests and further information concerning it may be obtained from Mr. James Bogan, St. Joe registrar.

Under the guidance of regional moderator Father Albert Wuest and regional chairman Jack Udelhofen, who is also vice-president of the Albertus Magnus Society, the workshop established its program for the coming year.

Conferences Open

Acting as an organizational model for future science commission conventions, the conferences opened Saturday evening at eight, with Father Wuest giving the invocation and welcoming address after the call to order.

Rev. Norman G. Schmockkey noted the sessions with a talk on the duties of the group as scientists and Catholics. He mentioned that many now put science above faith. The resultant discussion was led by Bob Gering.

Eye On the Reader

Sunday at 10, the second session was held—a talk by Rev. James Hinton on the writing of popular science articles. "Keep your eye on the reader," the speaker emphasized. George Kuhn was the discussion leader of this session.

The third and final meeting, held at 1, featured regional president Miro Pregelj, who spoke on commissions and commission activity. Chairman Udelhofen led the discussion which resulted in the resolution to establish a science news letter, with headquarters here. The workshop was then closed.

Club Hears Old Member

One of the Commerce Club's charter members returned in a different position Oct. 16, as Mr. Robert Conley, Jr., addressed the regular meeting of the club.

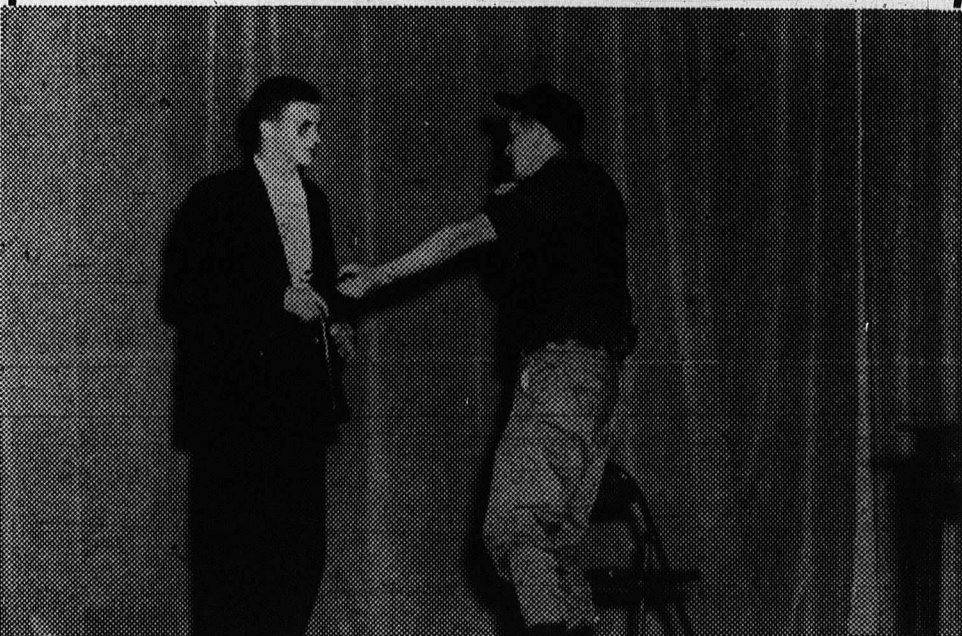

Mr. Conley, who was one of the group's first members when it organized in 1938, is now connected with the Shell-American Oil Co., and he spoke on the petroleum industry.

Calling it "the bloodstream of our country today," Mr. Conley stated that the industry offers many opportunities for young college graduates in the fields of geology, chemistry, marketing, transportation, and many others.

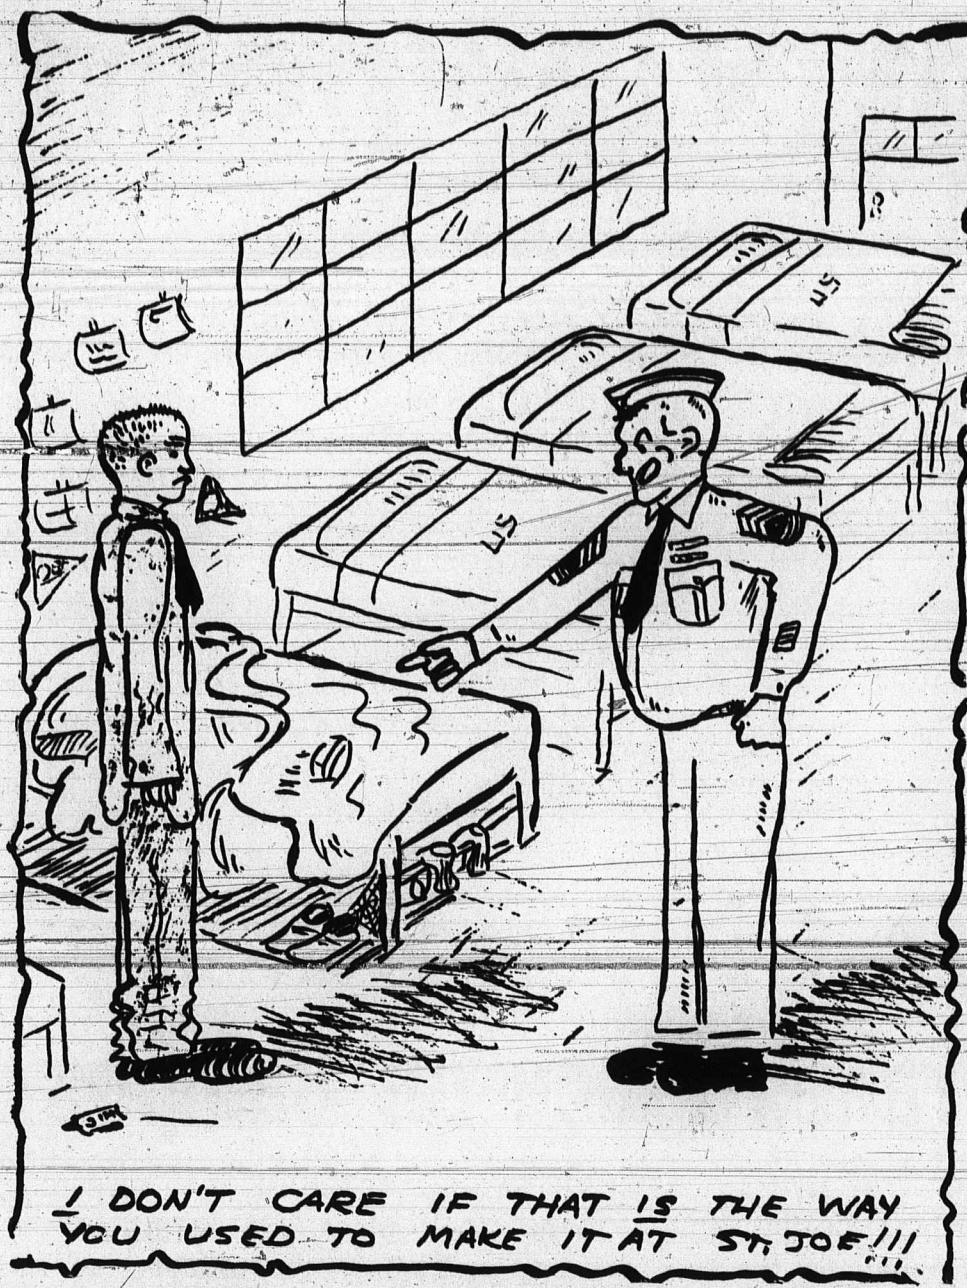

After the talk, a short film, "Two Equals Three," described the advances made in the petroleum industry since 1925, when three gallons of gas were required to do the equivalent of two today.

Mr. Conley was introduced by Mr. Kenneth Marin, club moderator.

QUICK, WATSON!

"But, Holmes . . . !" It does no good—Sherlock must have his morphine, but soon! Doctor Watson (Joel Francoeur) readies the hypodermic as Sherlock Bob Newett bares his arm in this pep rally skit.

Mock Balloting Gives Edge To Stevenson

By BUEL ADAMS

What does the St. Joe man think about the election? Who is his choice to be the next president of the United States?

To answer these questions, two separate, independent straw polls were taken of the student body within the past week. One was STUFF's straw ballot, published in the last issue; the other was a wide-sweeping poll conducted by the Student Council.

Inadequate Results

The results of the STUFF poll were far too inadequate to indicate any leanings. Only fourteen students of the entire enrollment—less than 2%—expressed an opinion in the balloting. Of the 14 cast, ten were for the Democratic candidate, Adlai E. Stevenson, four were for the Republicans' Dwight D. Eisenhower.

The Council test voting, however, was much more far-reaching and some 359 cast their mock ballots for one candidate or the other.

Stevenson Leads

In this balloting, also, Stevenson led, though not by such a large proportion. 202 students, or 56%, named the Democratic nominee as their choice, with Eisenhower receiving 157 tallies, or 44%.

The breakdown into voting by classes is interesting. In all classes but the sophomores, the balloting was close; the second-year men, however, named Stevenson by an almost two-to-one margin, 81-42.

Voting in other classes went: seniors, 31-30, for Eisenhower; juniors, 24-23, for Eisenhower; freshmen, 68-60 for Stevenson.

Older Men for Ike

Significant especially were the ballots of St. Joe students 21 or over, who are eligible to vote in the actual election Nov. 4. According to Hugh McAvooy, president of the Council, however the possibility of error in separating these votes renders the results somewhat unreliable. At last count, though, Eisenhower had held a few-vote edge over Stevenson in the older students' balloting.

Results of the St. Joe voting are in line generally with such polls taken in colleges throughout the country. Stevenson has been favored by more college organs than has the Republican nominee, but, as was also indicated in our straw poll, voting this Nov. 4 is probably going to be pretty close.

Historians Choose First President

Robert L. O'Connor was elected president of the newly-formed History Club at its second meeting, Oct. 15.

Serving behind O'Connor will be Duane Dunn, vice-president, and Dan Deneau, secretary-treasurer. O'Connor was chosen chairman of the first organizational meeting before being elected to the top spot.

Attend Speech

Yesterday the group, under the direction of moderator Mr. Joseph Druse, attended the whistle-stop of Gov. Adlai Stevenson at Kankakee, Ill. At the meeting last night, papers were presented by Bob O'Connor and Warren Malvick, who spoke for the Republican party and by John Good and Bill Froembgen, who spoke for the Democrats.

At the next meeting, Bill Dietz and Gerry Gladu will speak on "Mary, Queen of Scots, Saint or Sinner?"

Committee Appointed

Although the club as yet has no official name, a committee has been appointed for this purpose. Other committees include those on activities, constitution, and inci-

(Turn to Page Six)

WELL, THE MARINES HAVE LANDED and have a solid beachhead established at Collegeville! As of October 16, John Donnelly is no longer the only corporal in the corps. On that day patriotism reached its highest peak as many young sons of St. Joe swore their allegiance to the government of the United States of America—in the Marine Corps Reserve. So now, besides carrying draft cards, social security cards, business cards, driving license cards, not to mention our new foolproof identification cards—the men in question must also be the proud bearers of a U. S. Marine Corps card! Terry MacCarthy down the hall got so carried away by the whole glorious affair that he set up a recruiting office substation in his own room—complete with a sign on the door! But, then, devotion blossoms in the bosoms of the great.

OTHER THAN THAT, LIFE HAS BEEN RELATIVELY PEACEFUL at Collegeville. The boys were down at Indianapolis Saturday—oh, Notre Dame does it, why can't we! Anyway, life is peaceful Father Sheehan has been carrying on a bit over in Drexel with another of those ghastly ghoul-masks. Xavier Hall is rejoicing in its homecoming victory with the float of Our Lady of Fatima—a renowned statue of which, by the way, will be on campus Nov. 15, calling for suitable hyperdulia on the part of the student body—but more of that later A technicolor movie of an appendectomy was shown—with excellent plot, I'm told—and by popular demand was given a repeat performance The deep forbidden lore of Zuni culture is once again being desecrated by the enslaved masses in Messrs. Druse and Meany's social sideline course Anglo-Saxon sprung verse has again been rudely exhumed from its quiet resting place—to the general discomfiture of Humanities 21 But, on the whole, life has been comparatively peaceful.

DUST IN THE CORNER: Tom Paonessa, exhilarating the local high school co-eds by his mere presence

Charlie Rohan, uncompromising in his insistence that the true representative of the first basses in the College quartet be properly identified: be it known henceforward and from now on: said Mr. Rohan holds said position in said quartet

Father Boniface Dreiling leaving the local bowling circles agog after his 263 game (11 strikes) Joe Matza, Xavierite, forced to go about his daily activities in a standing position, due to a most unfortunate accident incurred during a recent football game

Bill Ryan putting a little flavor into the Homecoming festivities by attending the game as that fabulous creature, the St. Joe Puma

Bob Sack winning two bucks by swimming in the rather intemperate waters of the college lagoon. Shades of John Cheevers, who went through the ice last winter on a similar bet!

Frances looking stunning in glasses these days now that ID cards have to be checked

Frank Ryan, ex-'54 married Saturday in Waukegan, Ill. (Des, his brother, recuperating from a serious auto accident)

On campus Homecoming weekend: Dan Mongovan, Jim Schutz, Johnny Clark, and Ed Repay, all ex-'55; Paul Rall, ex-'54;

Ed Schultheis, Norb Hummel, Pat O'Neill, Joe Kukoy (with a cigar), Bob Kunka, John Keating, and Bill Ferguson, all '52 grads; Paul Brunton, '44, John McKenna, '48, Clarence Kuhn, '50, Gabe Fiorella, '50, John Sullivan, '50, Jim Buckley, '48, Phil Sanborn, '51, George Ellsperman, '47, Art Brophy, '50,

Landon Myers, '51, Joe Paulson, '49, Bernard Sutton, '35.

Camera Catches Homecoming

The Homecoming weekend began Friday, Oct. 10, as the school gathered by the bandstand for the traditional pep rally. Highlight of the rally was the introduction of the players by Coach Gene Fetter . . .

Providing the entertainment were the college Glee Club and the Band. Fathers Gross and Roof also addressed the crowd. Afterwards, the bonfire was lit, into which the freshmen threw their beanies and around which they danced, Indian-style . . .

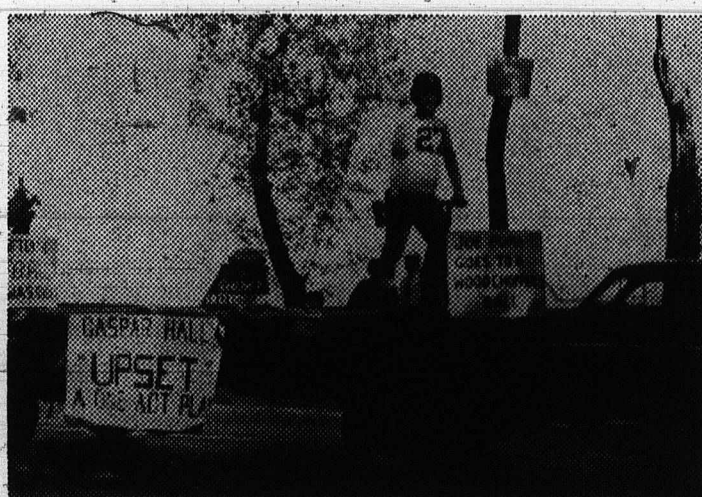

Later the Chicago Club sponsored a hayride for the couples, beginning from the rec hall . . .

. . . and covering the surrounding territory. By 11:30, the ride was over, and everyone waited the big day itself . . .

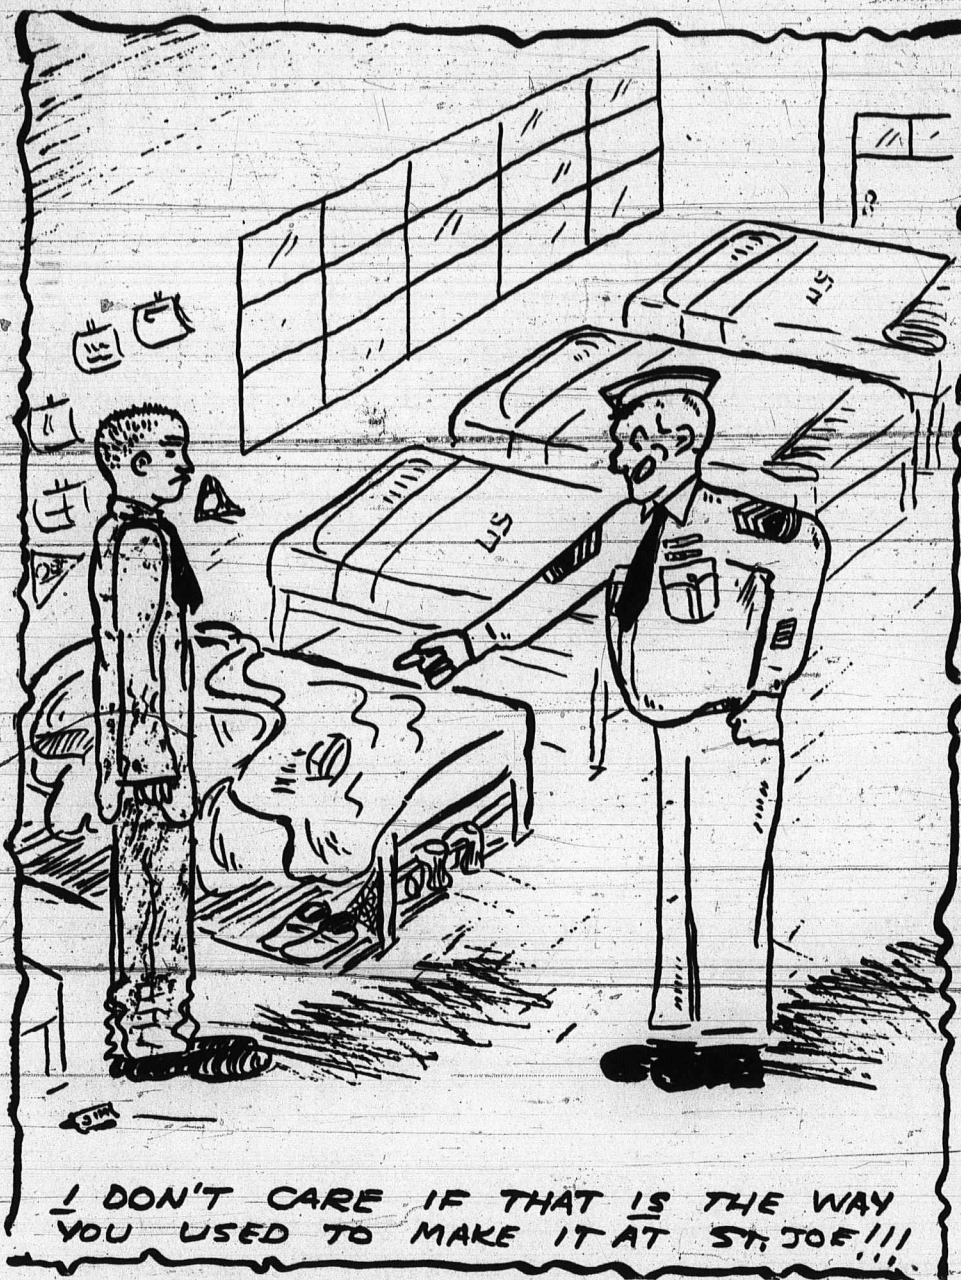

The parade through Rensselaer Saturday afternoon was led by Noll Hall's gigantic shoe . . .

This was followed by Gaspar Hall and its dramatic presentation of what they hoped would be the day's outcome . . .

West Seifert used the felled sycamore as a basis for their float; the felled fellow is a Statesman, the axman, St. Joe's finest . . .

I DON'T CARE IF THAT IS THE WAY YOU USED TO MAKE IT AT ST. JOE!!!

ONCE IN FOUR YEARS

Thirteen days from now, millions of Americans will congregate at designated centers in their home towns and perform a once-in-four-years function, electing a president.

Ever since that stunning upset pulled just four years ago, one certain party—we're not saying which—has been awaiting this moment, with the hope that they might finally break their string of setbacks and claim the glory of the highest office in the land. And, just as determinedly, the other party stands fighting to keep the position they have held since before most of St. Joe's students were born.

Many large college papers have come out definitely in favor of one candidate or the other; some hold weekly columns presenting the views of each party. It is not the intention of STUFF to declare itself for either one of the men. First, the national influence that STUFF yields is about as great as one's chances of getting a 3.00 index for four years straight. Secondly, we believe that both men are good choices and have the interests of the nation at heart. The only choice STUFF will make will be the majority choice of the student body, as expressed in the accompanying column.

However, one fair-sized contingent of St. Joe men will have to make their choice two weeks from now. These are the students 21 and over, most of whom will be voting in their first national election. To them belongs the prerogative and duty to help the fate of our country.

For the past several months, the eligible voters of the nation have been urged by many sources to exercise their franchise and vote Nov. 4. May we add our own plea, too? On Nov. 4, vote Democratic or vote Republican, but above all, vote.

FROM THE GREEK

"Apathy" is a good word. It comes from the Greek and originally meant "not suffering." Its meaning today has come to stand for an indifference to affairs, an aloofness to things which should interest a person.

Apathy can be found almost everywhere—right here in college, for instance. There are students apathetic to learning, who make no special effort in their classwork and just barely get by with a minimum of effort. There are students apathetic to social activities, who care little of this important side of the college education. There are students apathetic to school events, who have never attended a football game or gone to a pep rally, nor do they back up their team. There are students apathetic to organizations, who watch others on the campus act, sing, or be scholastic leaders, while the apathetic ones sit by and say that they, too, could do all these things . . . if they wanted to.

And then there are those who are apathetic to their whole school, who not only do nothing to forward its progress or to extend its fame, but, worse yet, even degrade their own college whenever possible.

Fortunately, this kind of student is rare. However, we feel quite certain that every college has felt the curse of the

Camera Catches Homecoming

The Homecoming weekend began Friday, Oct. 10, as the school gathered by the bandstand for the traditional pep rally. Highlight of the rally was the introduction of the players by Coach Gene Fetter . . .

Providing the entertainment were the college Glee Club and the Band. Fathers Gross and Roof also addressed the crowd. Afterwards, the bonfire was lit, into which the freshmen threw their beanies and around which they danced, Indian-style . . .

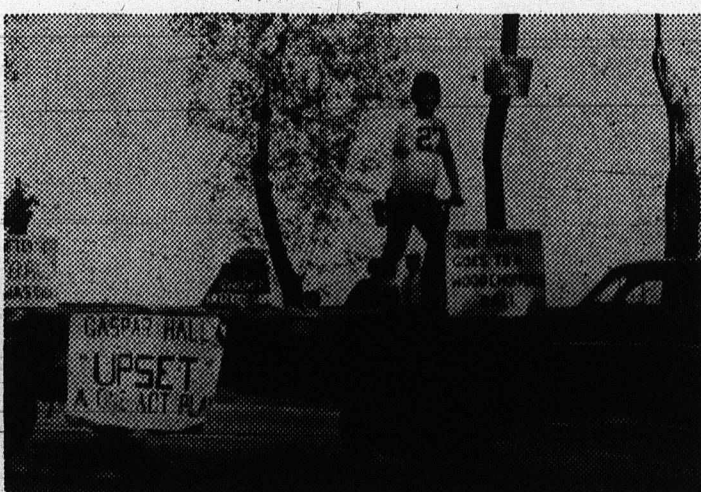

Later the Chicago Club sponsored a hayride for the couples, beginning from the rec hall . . .

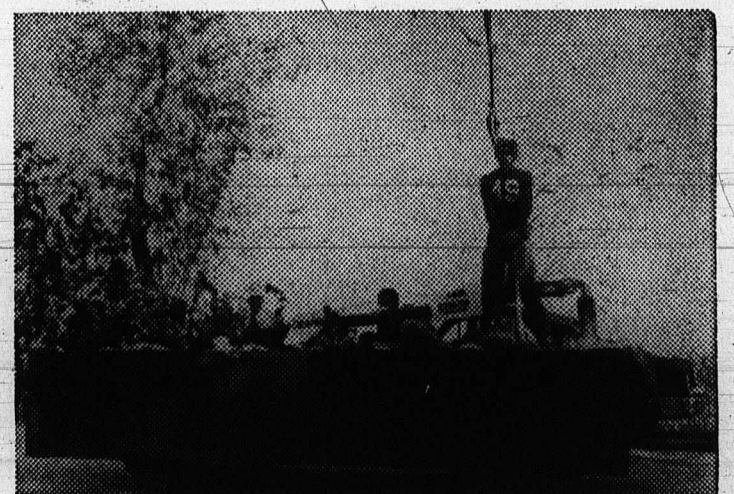

. . . and covering the surrounding territory. By 11:30, the ride was over, and everyone waited the big day itself . . .

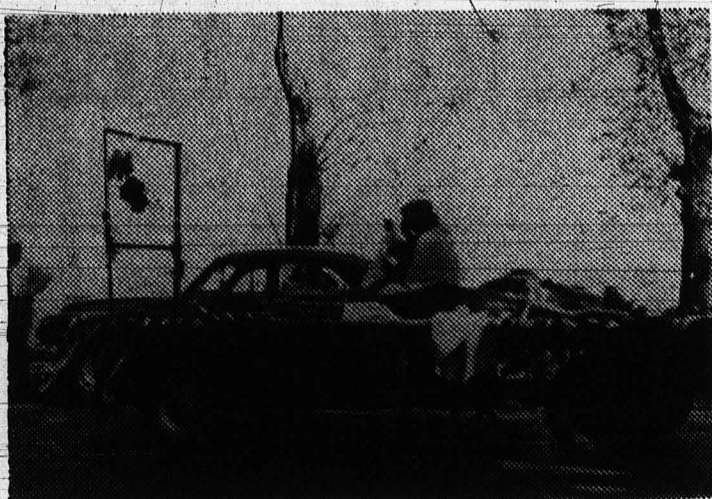

The parade through Rensselaer Saturday afternoon was led by Noll Hall's gigantic shoe . . .

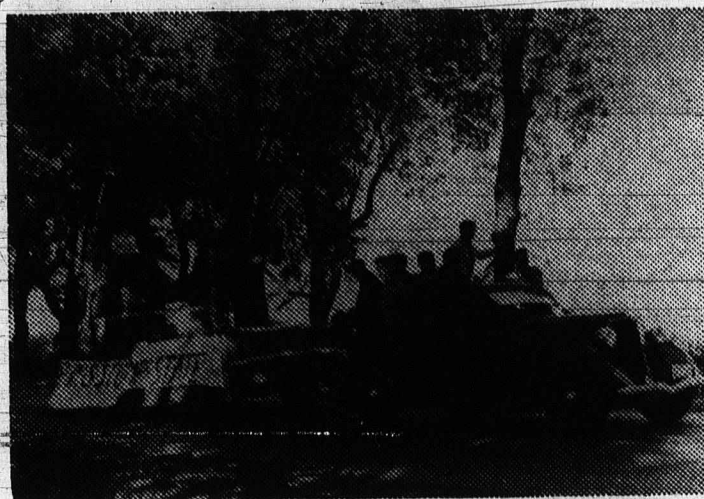

This was followed by Gaspar Hall and its dramatic presentation of what they hoped would be the day's outcome . . .

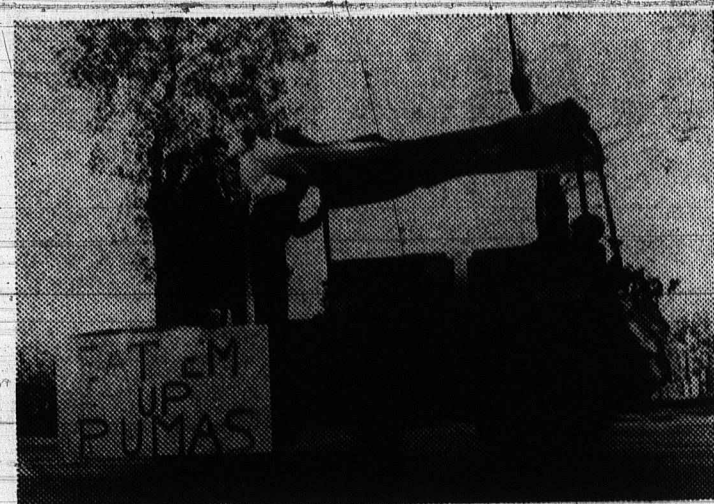

West Seifert used the felled sycamore as a basis for their float; the felled fellow is a State-man, the axman, St. Joe's finest . . .

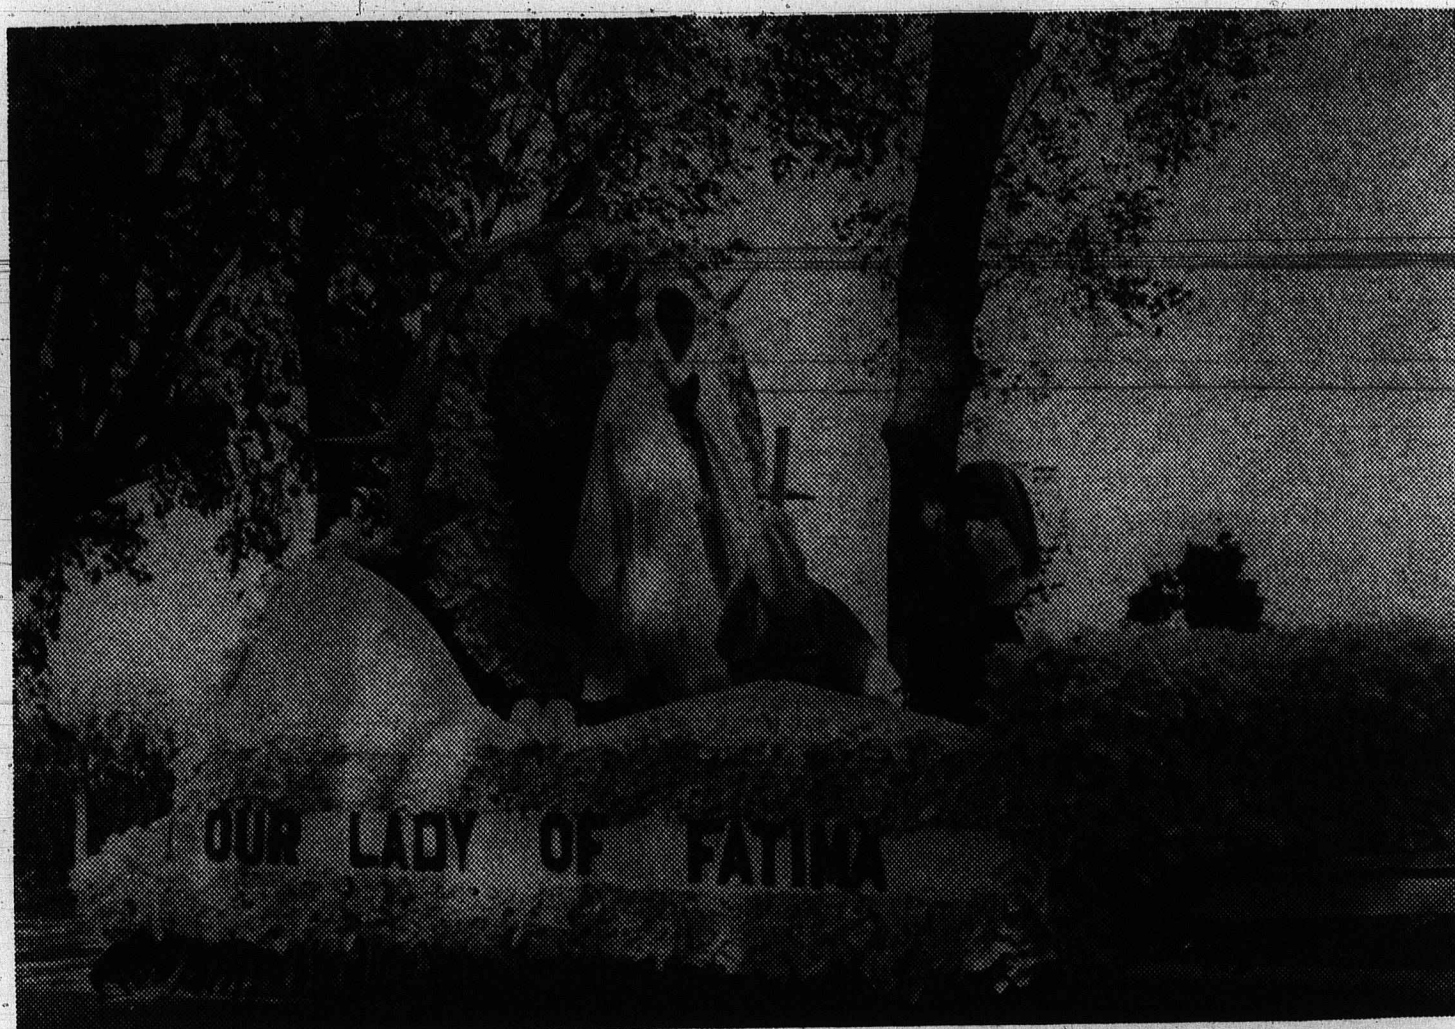

A scalping party was the theme as the old Indian reservation, Drexel Hall, paraded through Collegeville's leafy grounds near the end of the journey . . .

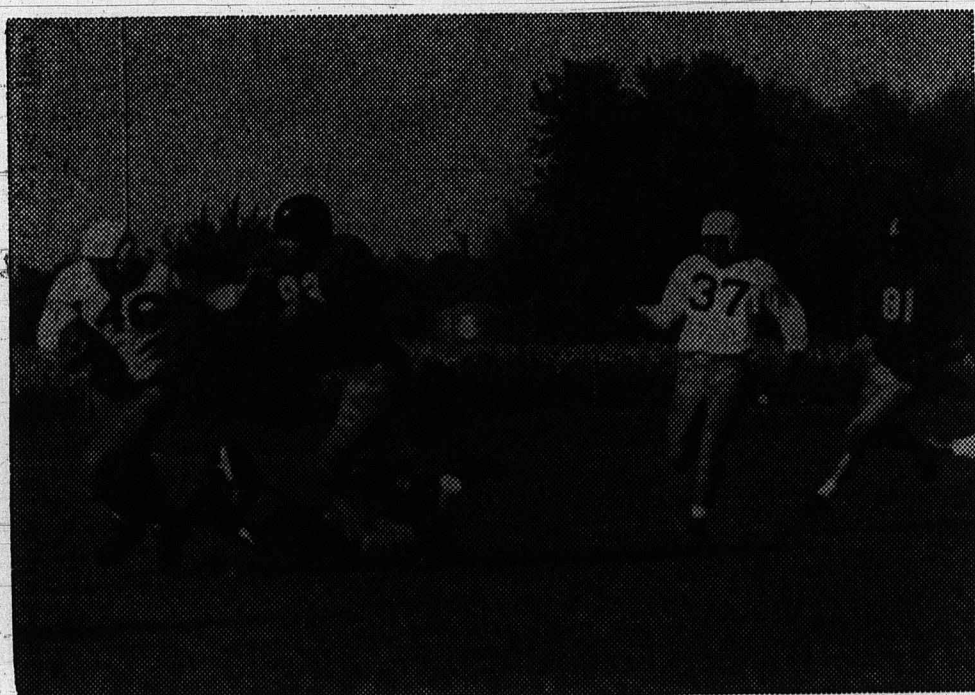

East Seifert had its own queen and Puma—as the lowerclassmen sought to nab the decorations title for the hall twice in a row . . .

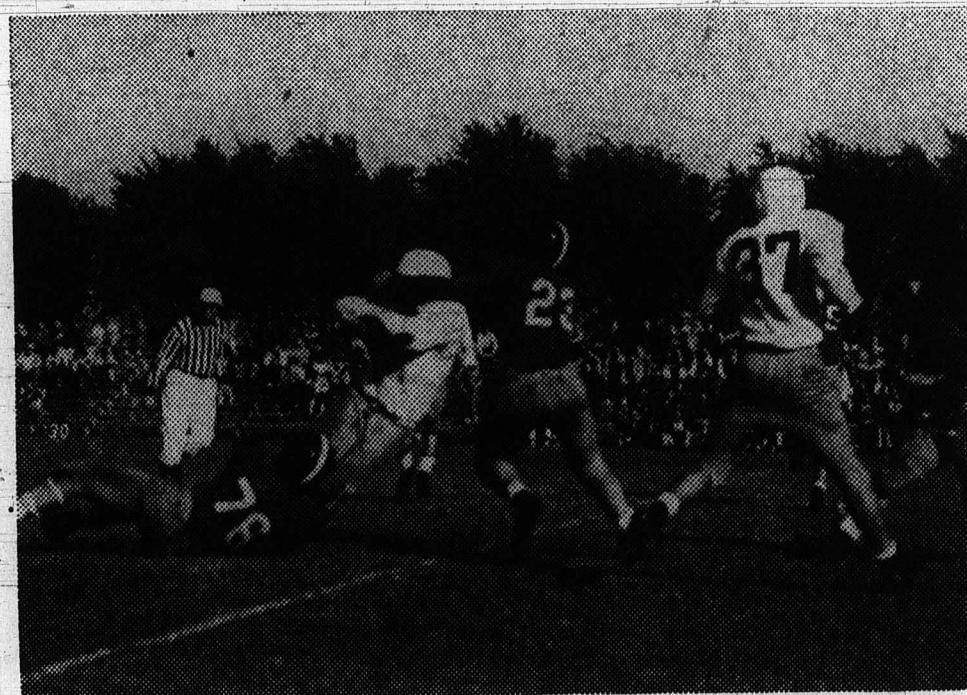

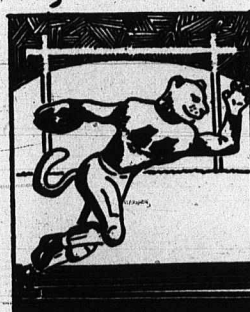

Bringing up the rear was the Ad Building in its coffin-containing Sycamore, to bring in a more sombre (?) note . . .

But the biggest and best of all in the parade was the Xavier Hall entry, another painstaking effort by the seminarians, which won them the Homecoming hall plaque and entitled them to the \$25 prize awarded the winner. The figures on the float are Miss Carolyn Tonner, daughter of Prof. Paul Tonner, and the children of Mr. Richard Scharf and Mr. Paul Kelly, all three of these gentlemen being professors at St. Joe . . .

But the big moment of the week-end was the game itself. Here Don Gorman attempts to sweep around end, but is hotly pursued by a State tackler . . .

Down goes another Puma, in a too-of- repeated scene throughout the afternoon. St. Joe fought well, but penalties and poor blocking showed . . .

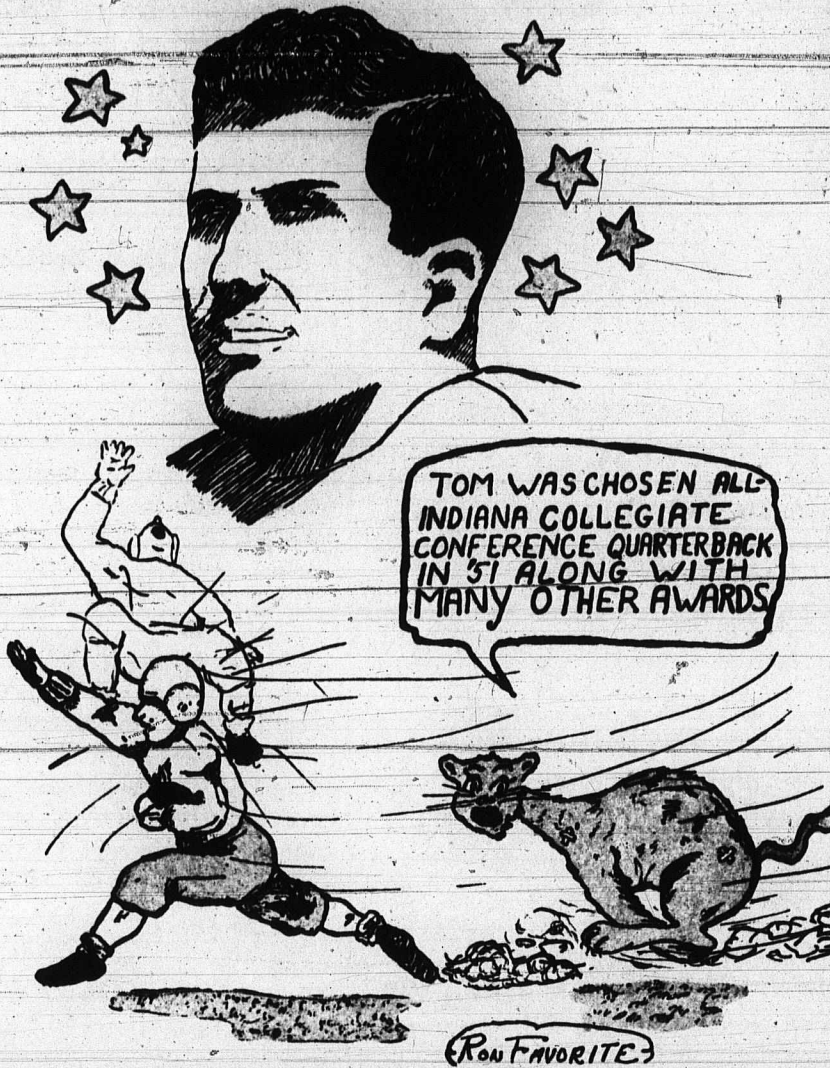

One cheerful spot of the game was the half-time crowning of Miss Connie Colletti as Homecoming queen by Father Gross during the half-time ceremonies. The Queen is surrounded by her two attendants . . .

Unfortunately, all did not end well, and, as the game progressed, Coach Fetter had to rely on Tom Schnieders' trusty punts to prevent even more scoring. Much was forgotten, however, at the dance that evening (see page 1), as the crowd relaxed and enjoyed Buddy DiVito's music.

Butler Contest Goes to 'Dogs, 33-0

TOM PAONESSA

The Grapevine

By JOHN WOLFE

UPSETS ARE STILL THE TALK of the ICC. First, Valparaiso is beaten by a decided underdog Evansville eleven and then Ball State, winless for two long years, beats Indiana State, 33-0, at Indiana State's Homecoming.

HOW MUCH DO comparative scores mean? In the intramural football program, the Indians beat the Brewers by a score of 33-0. The Whiz Kids beat the Indians, 13-2, and the Brewers came back to beat the Whiz Kids, 6-0. . . . That was the first game that the Indians had been scored upon, let alone beaten, in the last two years, a fine tribute to the spirit displayed by the IM's this year.

NOTES FROM HERE AND THERE: St. Joe has won only two out of its last 19 appearances in the three major intercollegiate sports—Wally Rattay's three-hitter against Chicago U. in baseball's opener, and a one-point basketball triumph over Lewis Feb. 29. . . . A game with DePaul's Blue Demons on December 19 in Chicago has been added to the Puma basketball schedule—also one at Franklin (Ind.) College.

College Golfers Annex Scotch Twosome Meet

Father Leonard Kostka joined forces with Dr. C. E. Johnson of Rensselaer, who is also a doctor on the college staff, in a Scotch twosome golf match Thursday at the Curtis Creek Country Club, and the two collegians walked off with a victory over some 30 other players.

The match, marking the close of the season for the club, was

played according to Scotch twosome rules, each player having one, and only one, club with which to make all his shots—putts, drives, and what-have-you. The couple alternated in hitting the ball.

Fortified with a strong four iron, Father Kostka teamed up with Dr. Johnson's brassie to rap out a nine-hole total of 46. The last four greens were one-putted.

Also participating from St. Joe, though not winning awards, were Fathers Marcellus Dreiling and Clement Kuhns.

St. Joe Drops Homecoming To Sycamores

By BOB LAHEY

In a game which somewhat resembled their first Homecoming defeat by Valpo last year, St. Joe went down to Indiana State, 21-3, Oct. 11, for their second straight Homecoming loss. Looking good in the first portion of the game, the Pumas managed a field goal early in the opening period to take a 3-0 lead. This lead, however, was decisively overcome later in the game, as the defending Pumas were unable to sustain their early drive.

A combination of unusual events early in the game placed the Pumas in scoring position for Jerry Walke's field goal. Gaining possession of the ball through a State fumble at the mid-stripe, the Pumas fought to the 16-yard line, where the Sycamores finally managed to halt them and take over. But successive penalties for clipping and holding, forced the State team to their own 1-yard line.

St. Joe again took over on the invader's 29 after an out-of-bounds punt, but two plays later suffered another interception. A State fumble promptly returned the ball to the Pumas on the 18. Unable to crack the now hardened Sycamore defense, St. Joe called on Walke for their only tally.

State crossed the goal twice in the second quarter, in the final period, once. Combining an efficient running assault and mediocre air attack with a vicious defense, the Sycamores became the dominating factor throughout the last three periods of the contest.

IM Indians Upset By Whiz Kids, 13-2

With a few exceptions, the intramural football games have been one-sided affairs for the past couple of weeks. For the first time since the beginning of last year's season, the Indians' position on top is being challenged, however. An upset by the Whiz Kids last Wednesday gave the Indians their first defeat in two years. It also was the first time the defending champs had been scored upon.

Ron Hospodka scored the first touchdown in that game on a nice catch far from scrimmage. Later Bill Heniff threw to Matt Walters for the second touchdown, and the two reversed positions to add an extra point. The Indians were able to obtain only a safety. Final score: 13-2.

Gaels Go into Tie This defeat of the Indians enabled the Gaels to enter into a tie for the first place, as they whipped the Illinois Travelers, 7-0, the Beanie Boys 13-0, and lost to the Devensurges, 14-0. The two top teams had identical records of 4-1 until they met last Monday.

An overtime pass to Bob Daley for a 15-yard gain gave the Illinois Travelers their first win of the season Oct. 16, 1-0. The biggest overtime gain in four plays is worth one point in contests which are tied at the end of four quarters.

The league champions will be decided in a double elimination tournament between the top four teams at the end of the regular scheduled play. The last four teams will also engage in a consolation tournament on the same order. It was hoped that this tournament would begin on Oct. 27.

Hapless Pumas Plastered By League-Leading Squad

Butler's Norm Wilson took Tom Schmieders' first punt on his own 22-yard line and raced 78 yards untouched for a touchdown that started his team on to a 33-0 victory over the Pumas last Saturday. It was the fifth straight defeat for St. Joe.

Evansville Next On Puma Sked

Indiana Collegiate Conference foes are next in line for St. Joe's staggering Pumas. Evansville provides the opposition Saturday, to be followed by Ball State a week hence.

The game with Evansville was rated a toss-up until the Aces rose up and ended Valparaiso's 24-game winning streak, 13-7. Prior to that, the boys from down south had dropped four straight contests. The Aces and the Pumas have played one common foe, Indiana State. Both have gone down to defeat, St. Joe 20-3, and Evansville, 40-7.

Ball State should be welcomed with open arms the following week because the last time the Pumas tasted victory was against these same Cardinals from Muncie, which they beat in the snow last year, 39-21. However, Ball State is fresh from its initial victory, a stunning 33-0 triumph over Indiana State and will be out to avenge last year's defeat.

Seven Veterans Open Net Drills

Seven returning varsity men reported to basketball coach Dick Scharf Oct. 16, as cage drills began for the 1952-53 season. Scharf can also utilize the services of six award winners from last year's JV squad.

Reporting for action were Jack Dwyer, last year's leading scorer; Bill Elbert, ace rebound man; Willie Kellogg, sharpshooting guard; Chet Pilat, stellar forward; Don Merki and Bernie Boff, two skyscraping centers; and Butch Reutebuch, a steady guard. Pilat is ineligible for first semester competition.

Coming up from the junior Pumas are Jim Zid, Terry McCarthy, Jim Gordon, Gus Pasquini, Steve Oleskiewicz, and Jim Cavarretta.

The team will be out to better its so-so 11-12 record of last year. So far, 22 games and possibly a holiday tourney are scheduled.

After that first score, the Pumas fought valiantly through the first quarter and were in the game until John Riddle, a fleet half back who picked up 125 yards in five carries, skirted the St. Joe right end for 69 yards. That put the ball on the 13 and three plays later Don Kovach hit paydirt from the five.

Ellenberger Scores Late in the second period, Butler's quarterback, Fred Davis, passed to the ever-troublesome Mr. Riddle for 25 yards that put the ball with scoring distance. Norm Ellenberger bulled his way over from the two and the Bulldogs left the field with a 19-0 lead.

The Butler ground attack got going in the third period and moved to the Puma 20 where Ellenberger took a pitch-out and literally ran over Puma tacklers and finally bounced in the end zone.

At the start of the fourth quarter, St. Joe saw Butler territory for the first time on the 44, but the attack stalled as a fourth-down pass fell incomplete. A few moments later Riddle went off tackle from the Puma 44 and outraced the defensive backs to complete the scoring.

The devastating Butler ground attack ate up 393 yards and the passes gained a net of 55 yards. St. Joe was held to 45 yards rushing and 60 yards passing.

WHOA! WOE!

This Indiana State man was finally stopped, but too many others weren't as the Sycamores brought woe to a Homecoming crowd Oct. 11.

College Coal Supply Adequate; Fumbled Forecast Scores in End

By BILL FEELY

Coal! Coal! Coal! St. Joe has an abundance of it—two thousand tons, to be exact. Two-thirds of a year's supply rests behind the powerhouse now, the object of a shrewd prediction that failed to come true, but turned out all right in the end anyway.

The story behind this carbon cache goes back some two years, to the winter of 1950. At that time, John L. Lewis' men were playing pinochle at home instead of mining the precious fuel—John L. had called a coal strike. Among those hit hardest were colleges and universities, many of which had to close. St. Joe stuck to its guns, though, and, burning everything from trees to worn-out textbooks, managed to keep its boilers going and its doors open.

Similar Situation

There was a similar situation this year. To all intents and purposes, pinochle would again be the rage in Wilkes-Barre and Scranton, and colleges and other buildings would again be without fuel.

In fearful anticipation of a repeat of the '50 fiasco, Father Otte, treasurer of the college, purchased the two thousand tons of coal in advance. But then the coal strike was called off. And St. Joe was apparently stuck with a white elephant, or, at least, a black one.

Justice Triumphs

However, everything righted itself in the end and justice triumphed. The price of coal has shot up forty cents since the order, and now the school stands some \$400 ahead.

Mr. Freedolin Hiller and Brother Fred Baetzel handle the heating system of the college at the powerhouse, with the myriads of boilers, switchboards, water softeners, water pumps, and a huge generator being handled by Brother Frank Werling and Messrs. Karney and Whaling.

Big Boilers

Incidentally, the three boilers that supply the heat for the buildings have a capacity of 450 HP each, two of them being in constant use, with the third as a reserve unit. Joining hand in hand with the powerhouse's heating system, is the 125 KW generator, which produces half Collegeville's electricity, the rest being supplied by Rensselaer power plants.

Historians

(Continued from Page Five)

dentials. Jack Richert, chairman of the constitution committee, has presented a draft, which was accepted by the group.

The club is primarily a social organization with the aim of serving Jasper County as a historical society. Plans are being made for trips to Springfield, Ill., Indianapolis, and the Museum of Natural History in Chicago.

Alaskan Authority Presents Lecture

St. Joseph's opened this year's series of lectures Oct. 20 by presenting Mr. Edgar C. Raine and his views and commentaries on Alaska. With the use of colored slides, Mr. Raine explained many of the customs of the far-off people as he guided the audience through every town in Alaska and several villages of Siberia. Photographs of the "Inside Passage" terminating in the Lynn Canal; the snow-capped mountains; glaciers and waterfalls; the seal, reindeer, caribou, and walrus herds; Eskimo igloos, and Siberian Mazinka houses; and hunting and whaling adventures were flashed across the screen.

In a matter of approximately an hour a travelogue and history of Alaska and the northland were given, from its early beginnings to its present geographical and economic importance.

Fatima Statue Comes to SJC

Collegeville will host the "Pilgrim Virgin," replica of the famous Fatima statue, this Nov. 15 and 16, Father Leonard Kostka, moderator of the sponsoring Sanguinist Club, has announced.

The statue, which has been touring the United States and Canada, and has been seen by some seven million people, will be in the Lafayette Diocese for the first time on the present tour, and Collegeville will be its very first stop.

Eight other diocesan cities will display the statue, with many of the laity from nearby parishes expected to attend the St. Joe showing.

Coaches Clinic Called

A basketball clinic for area high school coaches has been scheduled for the fieldhouse Nov. 29.

Cage mentor Dick Scharf will be in charge of the one-day affair, which will be topped off with the season's opener—the Alumni game.

THERE'S NO FUEL LIKE—

One of the oldest fuels known, coal, and plenty of it, is stacked up in back of the powerhouse. College treasurer Father Joseph Otte gives details of the carboniferous mountain to STUFFman Bill Feely.

From the Greek

(Continued from Page Two)

apathetic, ungrateful student. Certainly there are many things about college one does not like. Regulations and restrictions grate against man's fundamental desire for independence. The instructors might be horrible, the food untouchable, and the sports program almost nil, yet there must surely be something about one's college that lures the student there and causes him to stick it out.

Grippers and groaners and the whole apathetic tribe do no good to anybody or to any place. And what's more, their criticisms and laments don't even make sense. They consistently gripe about their college, but still continue to attend it, apathetic to the end.

Shavings

(Continued from Page Two)

president of the alumni association, Bill Taylor, '51, Joe Gill, '52, Don Patke, ex-'49, Gaines Bateman, '51.

AND, LAST OF ALL, we must mention that John Metzner, '52, was recently chosen as "Regimental Soldier of the Week" at Aberdeen Proving Grounds, Md., where he is stationed with the O. R. T. C., Ordinance Dept.

WITH THAT BIT OF ENCOURAGEMENT for our campus corporals, I close this rather undernourished edition of *Shavings*, crying forth to each: "Go thou and do likewise!"

Dads Have Later 'Day'

By ROGER UECKER

Dad's Day has been set back a week to Nov. 9, it was announced recently. The day, originally scheduled for the first, was changed because of the occurrence of the Feast of All Saints on that date.

This year's celebration will include the football game with St. Norbert's, special half-time ceremonies and a get-together after the game.

Fathers Invited

Invitations will be sent out to the fathers of all students, but all members of the family will be welcome.

During the game the dads of the football players will wear jerseys corresponding in number to those of their sons. They will also be guests of the college at dinner Sunday. Senior players' fathers will receive photographs of their sons.

Address of Welcome

At half-time, Father Gross will give an address of welcome and the fathers present will be introduced. After the game, the rec hall will be thrown open to the dads, students, and members of the family for the informal get-together.

Intramurals

(Continued from Page Three)

Reutebuch follow with 31 and 30 points, respectively, as of the end of last week.

As of Monday, there were only seven intramural bowling teams ready for competition, which was supposed to have started last week. IM director Jim Beane said he hoped to have three more teams to complete the league.

Plans are being made for the Midlands Intercollegiate Bowling Conference. A meeting of school representatives from St. Joe, Valparaiso, DePaul, Loyola, and Notre Dame in Chicago on Sunday will launch the conference activities for the bowlers. As yet a schedule has not been made.

Varsity Awards

Each week, the five bowlers with the highest average will have a chance to represent the Pumas against one of the teams mentioned above. The IM team will be picked at the end of each week, so every bowler will have a chance to get on the team throughout the season. Mr. Beane has revealed tentative plans to place this bowling team on a varsity level, while still gathering the team members from the IM league.
